Dear Mike,

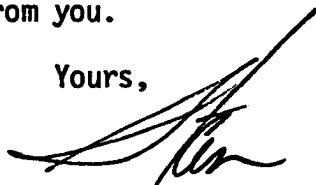

I am delighted to hear that you have the opportunity to utilize your talents with Raytheon. You certainly seem to have developed a very useful program.

Your letter dated March 2nd arrived today, the day you had hoped to meet with me. Unfortunately, this would have been a bad week in any case.

Send along some information on your program. I'll be happy to take a look and give my impressions.

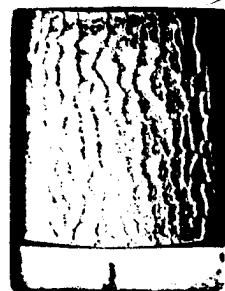

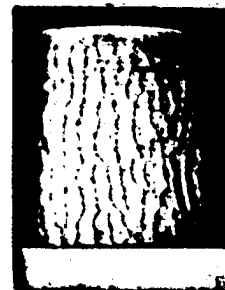

It was nice to hear from you.

Yours,

STANSFIELD TURNER
